## June 2025

Beer Hut / **Master Blaster / Centennial & Simcoe**

IPA - Session / 4% ABV / 120 CAL / Newry, Newry, Mourne and Down

**3.50**

A juicy little session IPA that's absolutely bouncing with flavour. Oozing with notes of citrus fruits, apricot and gooseberry.

Verdant Brewing / **Flux: Phase 2**

IPA - New England / 6.5% ABV / 195 CAL / Penryn, Cornwall

**4.10**

A 6.5% Nectaron-driven IPA! Peach, pineapple, and stone fruits. Delicious. FLUX is a really special three beer collaboration with Track. Brewing Co. We have combined our hoppy knowledge to create levels of saturation, flavours and aromatics bordering on the insane! Each beer in the series is an absolute monster with a different New Zealand hop leading the charge: Nelson Sauvin, Nectaron and NZH-101.

Sureshot / **Now Serving Nonsense**

Sour - Fruited / 8% ABV / 240 CAL / Manchester, Greater Manchester

**3.60**

Fruited sour brewed in collaboration with Helsinki's Coolhead Brewing. Fruited with 300g per litre of Alphonso mango & sweet mandarin. A fruity blender, thick and smooth. Forget number 6.

Northern Monk / **PATRONS PROJECT 47.03 // HEATHEN SOUNDS // HIDDEN MOTHERS // PASSIONFRUIT PALE ALE**

Pale Ale - Fruited / 4.5% ABV / 20 IBU / 135 CAL / Leeds, West Yorkshire

With more phenomenal artwork from Steven Yoyada, and Hidden Mothers on the scannable link, this release proves that not all heavy music needs heavy beer.

Mount Saint Bernard Abbey / **Tynt Meadow Blond**

Blonde / 5% ABV / 150 CAL / Coalville, Leicestershire

Using all of the same ingredients that we use in the original Tynt Meadow, we have produced a lighter, refreshing English style blond. This beer is 5%, and bottle conditioned.

Herzoglich Bayerisches Brauhaus Tegernsee / **Max I. Joseph Jubiläums Export**

Lager - Dortmunder / 5.2% ABV / 156 CAL / Tegernsee, Bayern

**3.60**
